March Advising Updates

Dear Colleagues,

Advising begins soon for priority registration. Please remember that if students are planning to take course work over the summer at a college near their home, they will want to complete a *Petition to Take Course Work at Another Institution*. The link for that form is: <http://bumperscollege.uark.edu/advise-another.pdf>

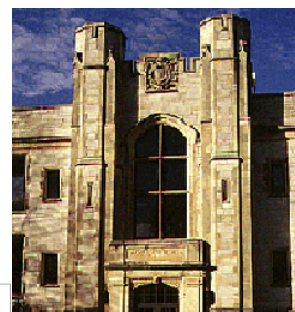

This form will give them the opportunity to review the equivalency guide and confirm how the class will transfer to the University of Arkansas. In addition before approving these requests, I review the senior residency policy and confirm the student is within the guidelines. You may want to review that policy with your student(s). It is found in the Catalog of Studies on page 42.

Spring semester is an active time for our campus, our students, and for you. I hope you plan to take some time off over spring break to rejuvenate. I plan to work on some house projects that have been ignored for too long (so I won't be available March 17- 25).

Until that time, feel free to contact me if I can assist you with your students.

Best regards,

Alice

Graduation Applications & Regalia

It's not too late to apply for graduation! Just because a student missed the priority deadline to apply, does not mean that it is too late. Students can still apply and participate in the Spring Commencement Ceremony, and we will do what we can to have their names included in the programs.

Students can still pick up their regalia until March 2nd. The next opportunity will be May 8th—12th at the UA bookstore. Regalia will be available for pickup between 9am and 4pm Tuesday - Friday and between 7:45 am and 4pm on Saturday, May 12, 2006, the day of Commencement. For more information, see the “Instructions for 2007 Graduates” link from the main U of A website.

Arkansas Academic Advising Network

A wonderful professional development opportunity will be available to all of us this spring! On May 4th, the Arkansas Academic Advising Network (ARKAAN), will be hosting their annual meeting on the UA campus. The deadline to register is April 13. The conference registration fee is only \$60.00 and it includes an annual membership to ARKAAN. It is an economical way to gain access to a great training opportunity. For more details about the conference, please review:
