November Advising Updates

Dear Colleagues,

If you were not able to attend the Academic Advising Council's training program last week, you missed an excellent opportunity to learn about several offices on campus. Representatives from the Counseling and Psychological Services, the Enhanced Learning Center, and the Center for Students with Disabilities shared information about their services for students. Prior to referring a student to one of these offices, it would be helpful to become familiar with their services. You will find links to each of their websites listed below:

Enhanced Learning Center : <http://elc.uark.edu/>

Counseling and Psychological Services : <http://health.uark.edu/CAPS/index.htm>

Center for Students with Disabilities : <http://www.uark.edu/ua/csd/>

I hope priority registration is going smoothly for you. As always, please contact me if I can be of any assistance.

Best regards,

Alice

Important Information about the Eight Semester Degree Completion Program

Please remember to follow up with your students who are on the 8 Semester Degree Completion Program. I encourage you to read the policy at the link below:

<http://www.uark.edu/admin/vcacesey/AcaPolicySeries/150000.pdf>

Pay close attention to item B. 5 under the Requirements for Continuance and Completion of the Eight-Semester Degree Completion Program.

If you have a student in the program and they are not following the 8 semester plan, please send me an email explaining the reasons. Also, include how you will assist them in getting back into line with the plan.

I know we had a rough start last summer during orientation, but we are now obligated by law (Act 1014) to get these students through their degree program in eight semesters. If you are unsure about whether your student is in the program, please contact me.

Come and Get ‘em!

Due to an error by the publisher, there are several boxes of student planners in the Dean’s office available for students, faculty and staff. The first 24 pages have last year’s calendar and information, so please do not rely on those dates. The planner section is a great planning and time management asset. There are plenty, so stop by and grab one!
