TOTAL REQUIRED HOURS FOR AA DEGREE: 62

*Students who choose to transfer before graduating from North Arkansas College will probably complete their associate's degree requirements as they work toward a degree at UA. When the associate's degree requirements have been completed, students are encouraged to transfer the completed requirements back to North Arkansas College and apply for graduation. Graduation with an associate's degree may make students more attractive candidates for internships and employment opportunities while they complete their studies at the UA.

****A maximum of 68 semester credit hours can be transferred toward this major.**
