

**Job Title:** Feed Logistics Intern

**AutoReqId:** 5500BR

**Career Category:** Internships

**Location of Position-State and City:** TX - Fort Worth

**Department Name:** LogisticsBusiness UnitFeedBusiness Unit DescriptionLand O'Lakes Purina Feed LLC, a wholly-owned subsidiary of Land O'Lakes Inc, is North America's leading feed company, providing producers, cooperatives and dealers with an extensive line of animal feed, ingredients and services.

**Position Purpose:** Interns will be assigned project responsibility in their designated department and will be expected to give a formal presentation on findings at the end of the summer internship. Successful interns may be offered a return internship or if graduating a full time position within Land O' Lakes.

Typical responsibilities and tasks as well as job opportunities upon completion of the internship would include but are not limited to those of a Transportation Planner, Distribution Replenishment Planner, or Inbound Logistics Specialist.

This internship will be exposed to materials resource planning and transportation planning. This individual will also lead a research project. Potential topic for the project is to evaluate the benefits of tendering loads to carriers on an ongoing basis versus all at once for the week. Our current practice results in significant re-work as loads get moved or cancelled.

**Required (Basic) Experience & Education:** Undergrad entering Junior/Senior Year or Graduate student pursuing degree in Supply Chain Management, Business, Transportation, Logistics, Warehousing or related discipline.

3.0 or better GPA.Required Competencies & Other SkillsGood interpersonal skills.

Ability to work independently on a project.

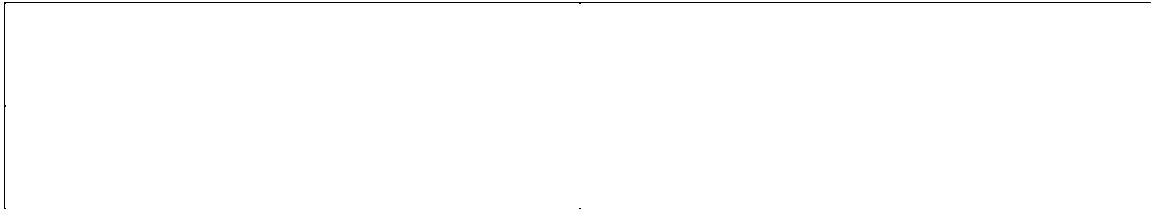

Analytical skills and ability to sort through data.

Understanding of transportation and ingredient planning a plus.

Must be proficient in Excel; Knowledge of Access and/or other Database systems; ERP system and Planning systems, a plus.

**Preferred Experience & Education:** Experience with logistics would be preferred, but not required depending on major.Preferred Competencies & Other SkillsAccess database knowledge desired
