**B. Elective Courses in addition to requirements to equal 124 hours:**

---

---

---

---

---

---

Students may use free electives for any courses of interest. However, students are advised to select from those courses listed under section III. Choose electives to insure that at least 39 hours of course work are at the 3000 level or higher. Free electives may also be used to complete the requirements for a minor.

<sup>2</sup>Satisfies University Minimum Core Requirements.

<sup>1</sup>Satisfies CAFLS Core Requirement. Students must complete a minimum of 9 hours in CAFLS outside of HORT. Students must complete COMM 1313 and 3 additional hours in a communication intensive course.

<sup>3</sup>Students who take CHEM 1103 must also complete CHEM 1123.

Students transferring to HORT with more than 24 credit hours of transfer credits are not required to enroll in AFLS 1011.

Students must complete a minimum of 3 and maximum of 6 credit hours of an internship (HORT 462V, 463V, 464V, 465V) in horticulture. Students are eligible for enrollment in internship after completing a minimum of 45 credits towards the degree.

Certain classes appear in more than one section. However, they may only be used to satisfy a single requirement.

**To graduate, at least 124 credits must be completed. At least 35 hours in the University Core, at least 30 hours in the Bumpers College of Agricultural, Food and Life Sciences and 9 hours within Bumpers College of Agricultural, Food and Life Sciences and outside of Horticulture. At least 39 credit hours must be at the 3000 level or higher. Students must achieve a minimum GPA of 2.0 with no more than 25% (31 hours) of the credits at a grade level of a D. There may be a maximum of 68 hours of lower division (2000 level or lower) transfer courses.**
