TOTAL REQUIRED HOURS FOR AA DEGREE: 60

*Students who choose to transfer before graduating from ASU-MH will probably complete their associate's degree requirements as they work toward a degree at UA. When the associate's degree requirements have been completed, students are encouraged to transfer the completed requirements back to ASU-MH and apply for graduation. Graduation with an associate's degree may make students more attractive candidates for internships and employment opportunities while they complete their studies at UA.

****A maximum of 68 semester credit hours can be transferred toward this major.**
