__ Select 3 hours in Math, Science or Agriculture to fulfill the Associate of Science degree requirements.

* At U of A students must take CSES 2101L Crop Science Lab as a prerequisite or co-requisite for this course.

**Please discuss this course option with an academic advisor.

TOTAL REQUIRED HOURS FOR AS DEGREE: 62

^Students who choose to transfer before graduating from North Arkansas College will probably complete their associate's degree requirements as they work toward a degree at UA. When the associate's degree requirements have been completed, students are encouraged to transfer the completed requirements back to North Arkansas College and apply for graduation. Graduation with an associate's degree may make students more attractive candidates for internships and employment opportunities while they complete their studies at the UA.

^^A maximum of 68 semester credit hours can be transferred toward this major.

This form is a guide and should not substitute for the College Catalog. Please see your advisor regularly.
