The purpose of this petition is to request that the AFLS courses listed below substitute for the noted WCOB courses. Only courses in which the student received a grade of C or better may be petitioned, and only courses that were taken at the University of Arkansas may be petitioned. These substitutions are valid for a Walton College minor and to serve as pre-requisites for other WCOB courses.

If the student changes colleges to the Walton College, he or she must re-petition for these courses to count towards his or her major.

Note: If a pre-requisite substitution is made, ISIS will not recognize the substitution, and the student will have to come to WCOB 328 to enroll in subsequent courses.
