2. The following program changes have been approved by the Committee on first and second reading and are presented to the Council for their approval.

AECT BS – ACOM concentration
AECT BS – AGED concentration
AECT BS – ASTM concentration
*Deleting CSES 2013 Pest Management as a requirement from all three concentrations, deleting courses no longer taught, changing electives, including UNIV 1001 as an elective

AECT Minor
* The minor would be reduced from 22 to 18 hours with several courses deleted and some replaced by other AGED upper division courses

POSC Certificate program
*The program would formalize agreements with U of A Pine Bluff and potentially other institutions to allow their students to attend U of A to take POSC courses for a year and then return to their home university to complete their degree
