

# UA Technology Recommendations

(For on-campus and online students)

- MEMORY: 8GB+
- PROCESSOR: 2.4GHz Intel Core i3 or better
- STORAGE: 250GB+
- SOFTWARE: Windows: MS Office
- Windows: Microsoft Windows 10
- Mac: Mac OS 10.12 or higher
- Webcam & Microphone (Strongly encouraged)
- OPTIONAL ACCESSORIES:
  - 16GB+ Flash Drive
  - Ethernet Cable
- Available for free Download (thru student fees)
  - Symantec Antivirus
  - Office 365
  - Adobe Creative Cloud Suite (depending on major)
- The Bumpers College is a Windows centric college. If you prefer a Mac, loading Windows is advised. Additionally, some UA computer applications do not function correctly using the Safari web browser.
- Computer Labs are available in: AFLS B-108, HOEC 028, & POSC L10 with Adobe Creative Suite and MS Office 2010.
- Visit the Bumpers Lab site to see entire software list, hours of operation and locations. [bumpers-labs.uark.edu](http://bumpers-labs.uark.edu)
